### **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Since claim 19 has been canceled, with claim 14 being amended to include the limitations of previously dependent claim 19, it is clear that claim 20, which previously depended from claim 19 (now canceled) should depend from claim 14. Therefore, the dependency of claim 20 has been changed from claim "19" to claim "14".

The application has been amended as follows:

In claim 20 line 1, changed the dependency from claim "19" to claim "14".

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Victor Batson whose telephone number is (571) 272-6987. The examiner can normally be reached on Monday through Thursday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Tom Will can be reached on (571) 272-6998. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
